Details:

Speaker: David Chapman, Partner. NJSR Chartered Architects LLP

David will give an overview of NJSR's approach to building conservation and new build in the historic environment.

He will touch on investigation techniques, typical patterns of deterioration in Victorian structures particularly stonework and appropriate repair.

Conservation is also the art of adapting old buildings for new uses and incorporating new buildings in old settings and David will illustrate his talk with a number of examples of NJSR's recent work in this context.

The event will be held in the Empress Suite at The Liner. Start time for registration and refreshments is 6.30pm. Duration approximately 1hr with Q&A's.
